Space & Naval Warfare Systems Command Awards Contract

SAN DIEGO -- Hughes Aircraft Company of Fullerton, CA., is being awarded a \$5,781,866 sole source, cost plus fixed fee contract for SURTASS/J-AOS Block Upgrade System Software Maintenance. This effort will provide for Surveillance Towed Array Sensor (SURTASS) and Japanese Auxiliary Oceanographic System (J-AOS) block upgrade system software maintenance, testing, Land Based Test Site (LBTS)/Program Generation Center (PGC) operations and maintenance, on-site support, engineering services and related data and technical manuals. The period of performance for the base year is from February 12, 1998 to December 31, 1998. There are four option years which, if exercised, will bring the cumulative value of the contract to \$28,254,734 (total dollar amount including options). This contract will be funded with Operation & Maintenance, Navy and Foreign Military Sales funding. The contract award amount of \$950,000 is all FY98 Operation & Maintenance, Navy. SPAWAR is awarding this contractual action sole source under the authority of 10 U.S.C. 2304(c)(1), only one responsible source and no other supplies or services will satisfy agency requirements. Work will be performed in Fullerton, CA (100 percent). The Space and Naval Warfare Systems Command, San Diego is the contracting activity (N00039-98-C-0039).
